Happy December!

As we put away our pilgrims and turkeys and we prepare for the holidays in December, please remember to keep our families on your shopping list. Non perishable food items would be a huge help to help stock our pantry. Please consider picking up extra gift cards to local grocery stores and retailers to make the holidays brighter for families in our community. Please send items and gift cards to F6 or call Grace or Sara for more details 703-658-5933. Thank you!

November Highlights

21st Century Community Night

Mr. Greg Myers our school Psychologist spoke to our parents in November. The discussion was about "Depression Awareness and Helpful Resources." An important topic with lots of practical information.

Counselors' Coffee

We had such a nice time drinking coffee and talking to our awesome counselors! We discussed various middle school topics and had a lovely morning. Thank you to Ms. Torres, Ms. Ibbotson and Mrs. Murphy for joining us.

Upcoming 21st Century Community Nights

Our meeting on December 13th will be on a Tuesday (please note change in day of the week). We will have a lively discussion on "How to Talk so your Teens will Listen and Listen so your Teens will Talk!" Communication is key! Come learn some techniques on better communicating with your teen.

LOOKING AHEAD!!!

January 12 we are pleased to announce our own Officer Becky Gray will be presenting! Please come and meet our new SRO!
