Overdue policy

Books are checked out to students for 2 weeks. If a student has two library books overdue, he/she will need to return at least one of the overdue books before they can check out another. We do not charge overdue fines.

Renewal

Students may renew books they have checked out for 2 more weeks if another student doesn't have it on "HOLD." To renew a book, students must bring the book to the library for it to be scanned.

Reference Books

Reference books are available in the library for student and teacher use. These books may not be checked-out so everyone can use them.

If a book is lost or damaged, please see the librarian for replacement arrangements. A bill will be sent home 60 days after the due date.
