Principal's News

Dear Parents and Staff,

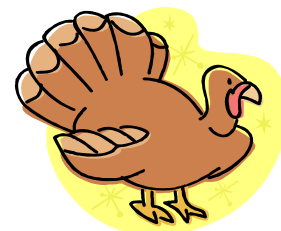

October and November have been great months at Key Center School. Many of our students went to the Pumpkin Patch in October. It is always an exciting time for our students. They were able to touch and smell many of the wonders of our fall season. Students, parents, and staff definitely enjoyed this wonderful outing. We ended October by giving our physical therapists—Carolyn Rapoza, Mary Walker, and Becky Lyons—a special day of recognition for the outstanding job they do in providing our students with the best physical therapy services in the county. Thank you Carolyn, Mary, and Becky for all the hard work you do for our students and staff.

November at Key Center has been busy. Our annual International Dinner was held on November 8, and it was a wonderful event with over ninety parents, students, and staff attending. The high point of the evening was a fashion show in which many of our parents and staff participated—showing off the many lovely ethnic outfits. On Monday, November 12, a Veterans Day celebration was held at Key Center. Attending the ceremony were over twenty veterans and active military personnel from

staff and families of Key Center students and staff. The students' participation in the event was interactive, starting with the pledge of allegiance and followed by the song, "This Land is Your Land." It was a great event that everyone enjoyed. Check our website www.fcps.edu/KeyCenter to look at the pictures taken at these two special events.

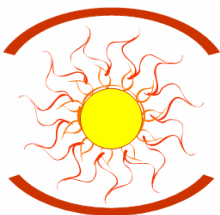

I would like to wish all of you a very happy and safe Thanksgiving holiday. At this time of the year, I often reflect on our students, parents, and staff. I am thankful for being the principal of a school with these outstanding people. Everyday, you show total dedication and commitment in being the very best that you can be in what you do. Thanks to all for being who you are!

Sincerely,
Tom Flick
Tom Flick, Principal
