

Kilmer Middle School

After School Programs 2011-12

The program is divided in three basic formats.

1. **Clubs and Activities** are available on Mondays and Wednesdays. Academic support from teachers is also available by appointment.

The activity period ends at approximately 4:00 p.m. and late buses are available to transport students home. A comprehensive list of yearly activities will be posted on our website (<http://www.fcps.edu/KilmerMS/>) under the Activities Tab once we know our offerings.

Weekly club meetings are advertised to students via the After School Blackboard Site and by PA announcement.

2. The **Cougars' Den Program** is available on Tuesday, Thursday, and Friday.

This program is open until 5:45 p.m. This program engages students with 1 hour of teacher supervised homework assistance (Tuesdays and Thursdays) followed by fun activities in a community center format. Parents are required to pick up students at 5:45 p.m.

3. Each Thursday is **Academics Thursdays**. Students can stay after with teachers by appointment. Academic support will run concurrently with Cougars' Den. However, in order to maximize instructional support for students, there will be no other clubs or activities on this day.

Students may take the late bus home at approximately 4:30 p.m. or may get picked up by parents at 5:45 p.m.

What is the After School Program?

The After School Program at Kilmer Middle School is designed to extend the student's school day past the normal dismissal time of 2:40 pm. The program is designed to provide students a blend of academic support, enrichment activities, sports, life skills, and service to the community in a safe and supportive learning environment.

In order to be accessible and convenient for students, the program is flexible and is designed to allow students to participate as much as their schedules allow. Although some activities require weekly attendance, many of the activities have flexible attendance requirements. This allows students to follow their interests and experiment with a variety of activities throughout the year.
