Meet the Teachers!

The 5th grade teachers at Kings Glen Elementary School bring nearly 100 years of collective teaching experience to the team! Although each teacher has their own teaching style and brings their own personal experience to the classroom, working together as a collaborative 5th grade team ensures consistency of curriculum and pacing for all 5th graders at Kings Glen. This team atmosphere also facilitates the constant exchanging of ideas and practices to bring only the best and most innovative teaching to each child. Our ultimate goal is to ensure that each student has a successful and enjoyable 2011-2012 school year!
