Inclement Weather Guide

Make plans now for inclement weather. Please make certain that arrangements have been made for your child in the event that inclement weather causes a change in the school schedule. To receive weather news by email, subscribe to Keep in Touch (FCPS Outreach). Go to www.fcps.edu and click on the Keep in Touch link. FCPS has several schedules in place when conditions threaten the safety of children who walk or ride school buses to school. These schedules are: 1) school closed all day; 2) schools open two hours late; and 3) schools close two hours early.

Please listen to the radio or television for news of schedule changes. The school system's website www.fcps.edu will post weather news. Please do NOT call the school's general telephone number. Our lines must remain open for emergencies. When school opens late, parents should not drop their children off at school before 10:05 a.m., as adequate supervision is not available. Kings Park and Kings Glen, which normally close early on Mondays, will not observe the early closing time if school has a delayed opening or an early closing on a Monday.

When schools are closed for the day, all activities that use school facilities are canceled, including adult classes, recreation, PTA events, SACC, etc. In the event of snow or inclement weather on the weekend, events scheduled in school facilities and on school grounds may be canceled.
