

Expanded form

$$\begin{array}{r} 38 \\ + 26 \\ \hline \end{array}$$

Break each two digit number into tens plus ones.

$$30 + 8$$

$$\underline{20 + 6}$$

Add the tens together; then add the ones together.

$$30 + 8$$

$$\underline{20 + 6}$$

$$50 + 14 = 64$$
