

February 12, 2002

Dear Parents,

Our class has begun their unit *Hooray for Heroes*. The children will be studying about heroes for the next six weeks. In addition to learning about well-known heroes like George Washington, Abraham Lincoln, Harriet Tubman and others, the children have selected their own personal heroes. We've been writing My Hero stories in the classroom. We'd like to know more about our heroes. Attached you will find a Hero Questionnaire. Please fill out as much information as possible about your child's hero. Send the questionnaire back to school **NO LATER THAN** Tuesday, February 19th. We'll be using the information for many math, social studies and language activities.

You will want to mark Friday, March 8th, 6:00-8:00 p.m. on your calendar. That evening will be the opening of our Hooray for Heroes Hall. You are invited to come and learn about the heroes we have been studying. More information will follow in the official invitation.

Sincerely,

Mrs. Goodin & Mrs. Johnston
