

Dear \_\_\_\_\_,

Congratulations, as part of our Hooray for Heroes unit, you have been chosen as a school hero by Mrs. \_\_\_\_\_ class. We would like to schedule some time between now and Friday, February 21st to learn more about you. Our class would need approximately 30 minutes to measure you, ask some questions and make a silhouette. Attached, you will find the questions that we will be asking. Please contact the teacher to set up a suitable time. Thank you for being a valuable resource in our study of heroes.

Sincerely,
