

Homework:

Biographies for the Night of the Notables

The time has come to gather and write more information about your famous person. You need to complete the following:

- Data retrieval chart. Make sure you know all about your famous person!
- Using information from your data retrieval chart, create a written report. Make sure you use complete sentences, appropriate punctuation and correct spelling. The report can be handwritten in your best handwriting or typed.
- Find a picture of your person or make your own detailed drawing. Keep it separate from your report, this will be placed on your poster later.
- Answer the interview questions attached. These questions will be asked of you on the Night of the Notables. So, know the answers!
- Make sure you have 6 important dates in your famous person's life. We will construct a timeline later.

All right kiddies, your biography homework is due **Monday, February 4, 2002**. Please make sure you return all the items above.
