

Thursday, January 17, 2002

Dear Parents,

The ***Night of the Notables*** is coming soon! Curious? Well, *Night of the Notables* will culminate an exciting biography unit our third graders are about to begin. During this study, your child will use a variety of technologies, on-line biographies, and classmate interviews to complete an in-depth study about someone important or famous who has made a contribution to our world.

To celebrate and share what we have learned, we will have a special evening featuring the students dressed up as the individual he/she researched. Your child will also be asked to bring a food contribution that is indicative of the person studied or the time period in which the person lived. More information will be given about this “notable” night in upcoming letters. This will be a fun-filled evening that will give the students an opportunity to show-off their knowledge and to test *your* knowledge of “notable” persons. The *Night of the Notables* will be tremendous fun for all!

So, mark your calendars! The ***Night of the Notables*** will be held on **Thursday, February 21, 2002 from 7:00 to 8:30 P.M.** We hope to see you there!

Sincerely,

Ms. Summerhill and Ms. Dade

****More information to follow!****
