

Night of the Notables

It is hard to believe that the **Night of the Notables** is just around the corner. The students have been working hard on their reports at school and at home to provide you with a historical evening filled with a little excitement and a dose of mystery!

We have just a few more things to do prior to the evening to ensure it goes well. Over the next week, we would like the students to work on their costumes for the evening. The costumes should be simple and easy to change into. The students are asked to bring their costumes to school on **Tuesday, February 19, 2002**. They will need their costumes for dress rehearsals, to visit other classrooms and to create a notable video for the school.

It is also time to begin thinking about the refreshment your child would like to send to school that represents the notable he/she researched. Each food item should be enough to feed 8 people. Since we will not be providing utensils, all refreshments should be bite-sized or capable of being cut into bite-sized pieces. Your refreshment must be labeled with the attached card. The card should have the name of the food item and why it was picked. Keep it simple. For example, the person who researched Babe Ruth may wish to bring in a cake with a baseball field decoration, or a peanut/hotdog snack to represent the ballpark. Please note the example of the card below.

The Night of the Notables will begin promptly at 7:00 P.M. Your child will need to meet his/her teacher in the classroom at 6:45 P.M. to change into his/her costume. All refreshment items can be brought to the school cafeteria that evening, or if you prefer, you can send them into school with your child that morning. We hope all our families will be able to attend this wonderful night. Please fill out the form below to let us know your intentions so we can plan accordingly. Thank you for all your help and time; we'll see you on the 21st!
