

*Dear Boys & Girls,*

*Members of some Plains and Eastern Woodland groups made what is called an owner stick. These owner sticks were like a name tag. Each individual decorated his/her stick in a special way to represent themselves.*

*\*Please have Mom or Dad help you tie two rulers, sticks or any other objects that are somewhat straight together using yarn.*

*\*If able, cover the straight objects with designs. You may want to cover the naming stick with paper or draw designs with a marker.*

*\*Draw and cut out figures/pictures showing things you like.*

*\*glue them to the sticks.*

*\*Use yarn to hang buttons, beads, feathers, or other things on your owner stick.*

*\*Try and come up with a good American Indian name to represent yourself. Attach your name to the stick in some way.*

*\*Bring to school Tuesday, February 19th in your backpack or any other well covered bag.*

*\*Have fun.*
