

April 16, 2002

Dear Parents:

On Wednesday, May 8, 2002 we will be having an in-school field trip. In order to review for the SOL tests the students will be involved in a **Trip Around the World**. Each third grade classroom is presenting a continent. The student will visit every continent on that day. The activity involves the entire third grade team and the lunch schedule will be altered. If the weather permits, we will be eating outside. Your child may bring their lunch with a drink or order a bag lunch from our cafeteria (see attached paper). Please return your child's lunch choice no later than **this Friday, April 19, 2002** if they are ordering from the cafeteria.
