

51st State Map Checklist

Your map can be any shape but you must include all of the following items:

- State name
- Capital
- River (at least one) with name
- One more landform. Choose from mountains, plain, lake, ocean, hill, or island. Add their name.
- Roads
- Compass rose
- Map key that shows the color for water and land, plus the symbols for the capital and other towns and roads.

When you are done, cut out the map and place it in your folder.
