

## Technology TidBits

The King's Pride Studios Technology Group used several websites to locate leaves and trees:

*What Tree is It?*

<http://www.oplin.lib.oh.us/products/tree/>

*Key to Leaves of Virginia Trees*

<http://www.fw.vt.edu/dendro/forsite/key/page1.htm>

We used *KidPix Studio Deluxe* to create our slide shows.

To study about the seasons we used software called *Learn About Earth Science: Weather* by Sunburst Technology Corporation
