

In 2009, Lake Braddock Secondary School received the President's Volunteer Service Award. This prestigious award gives Presidential recognition to individuals and groups who have demonstrated a sustained commitment to volunteer service.

Recognizing and honoring Lake Braddock sets a standard for service, encourages a sustained commitment to civic participation, and inspires others to make service a central part of their lives.

Now more than ever, volunteers are renewing their commitment to helping others and making new connections that bring us closer together as families, as neighbors, as communities, and as a Nation.

Lake Braddock Secondary School continues to answer the call to service.
