

EAT WELL, DO WELL!

Dear Lane Elementary Parents,

Please join us in our efforts to improve nutrition and fitness programs for our children here at Lane Elementary. We have enrolled in Silver Diner's EAT WELL, DO WELL (EWDW) program to raise funds. Our goal is to enroll 300 families by the end of this school year. You can help us reach this goal by linking your EAT WELL, DO WELL card to our school and using it when you dine at Silver Diner.

Attached is an EAT WELL, DO WELL flyer containing gift certificates to the Silver Diner which include registration forms for EWDW. Visit a Silver Diner or simply register and link your card to our school online at www.silverdiner.com/eat-well-do-well.

Every time you dine at Silver Diner and use your EAT WELL, DO WELL card, a percentage of the sales will go back to our school, and you will also earn rewards for yourself. In addition, you can pre-charge money to your card online and 5% will go back to our school.

We appreciate your support in our mission to make our school the healthiest it can be.

Thank you,

Lane PTA
