The Giant A+ School Rewards Program has started and Giant has committed to giving away \$2 million. The program runs from October 7th, 2011 through March 29th, 2012 and you can help our school earn CASH every time you shop using your Giant card. This is the easiest “fund-raising” program that the entire school can support. Best of all, the program is free and does not affect nor impact any other programs such as Gas Rewards.

Our school currently has **171** supporters and **653** families, not including teachers and faculty. We encourage everyone to recruit family, friends, neighbors and co-workers to support our school. Last year, Mater Dei School, which is located in Bethesda, MD, was awarded \$31,139.51 and Freedom Hill Elem School in Vienna, VA was awarded \$14,494.22.

Please select one of the following and return this form to the school. We are looking for a 100% return rate:
