Competition Cheerleading Program

Purpose

The purpose of the BRYC competition cheerleading program is to provide area youth with the opportunity to extend their cheer season into the competition arena in a controlled environment that provides additional skill development. The goal is to provide each cheerleader with training, support and encouragement while teaching them the importance of teamwork, solidarity and respect for the sport of cheerleading.

Team Composition

Registration will be open to all athletes who have participated in a football cheerleading program. Exceptions to this policy will be made on a case by case basis. Once registration is closed, each cheerleader will be assessed to determine their skill level for squad placements. Planned teams: Junior 8 & Under and Senior, 16 and Under.
