Thomas Jefferson Admissions Test Preparation Fall Seminar

The fall test prep seminar is offered to students in grade 8 during the 2011-2012 school year. Participants should have strong mathematical reasoning and problem-solving skills appropriate to viable candidacy for admission to Thomas Jefferson High School for Science and Technology (TJHSST). Instruction focuses on admissions test-related mathematical and verbal reasoning, essay writing, and study strategies. Other topics include enhancing individual test performance and confidence builders. Participation in this seminar does not constitute application, admission, or acceptance to TJHSST. Applying to TJHSST is a separate process. 10 sessions @ 2 hrs each.
