

FCPS 24-7 Learning *Parent View*

Your child's teachers use FCPS 24-7 Learning (**also referred to as Blackboard**), an Internet-based learning system, to post homework, assignments and other communications with your child. Each student is given his/her own FCPS 24-7 Learning account. Parents now have the opportunity to create an FCPS 24-7 Learning account of their own. The parent's access into FCPS 24-7 Learning is called **Parent View**. The Parent View account gives parents the opportunity to view all of their children's homework and other assignments online. Parent accounts will also give parents access to other important features like weCare@schools. WeCare@schools is the online system that allows parents to submit emergency care information for their children online. All schools in the Centreville Pyramid will begin onsite verification soon.

PLEASE WATCH THE MAIL FOR A LETTER CONTAINING STEP BY STEP INSTRUCTIONS ON HOW TO CREATE YOUR ACCOUNT. The Onsite Verification step (Step # 2) may be completed at Liberty MS during the times listed on the following schedule.
