

**Summer Packet: Rising Algebra 2 and Honors Algebra 2 Students**

***All rising Algebra 2 and Honors Algebra 2 Students must complete this summer packet. Each problem must be accompanied by work. This packet will be your first Algebra 2 grade and will be collected by your teacher on the first day of school. If you need assistance in completing this packet, feel free to visit [www.classzone.com](http://www.classzone.com). During the first week of school, be prepared to be tested on the material provided in this packet. If you lose the packet, it can be found on the Centreville High School website. The packet will be in Adobe Acrobat (.pdf) so you can download the software from the site <http://www.adobe.com/downloads/> and download “adobe reader” (this will allow you to download the packet).***

***Remember...This packet will be collected and graded on the first day back to school, and it will be your first grade in the gradebook so do your best.***

***Thank you,***

***Algebra 2 Team***
