

People crowded around the lockers where Isabella stood. Jacob was on his knees, begging.

Jacob stammered, "It wasn't working with Lucy. I miss you!"

Isabella replied, "You broke my heart you jerk! Go away!"

Way to go Isabella. You're not going to make the same mistake again.

Jacob stood absolutely silent and still. Perhaps thinking about what he got himself into. He couldn't figure what went wrong.

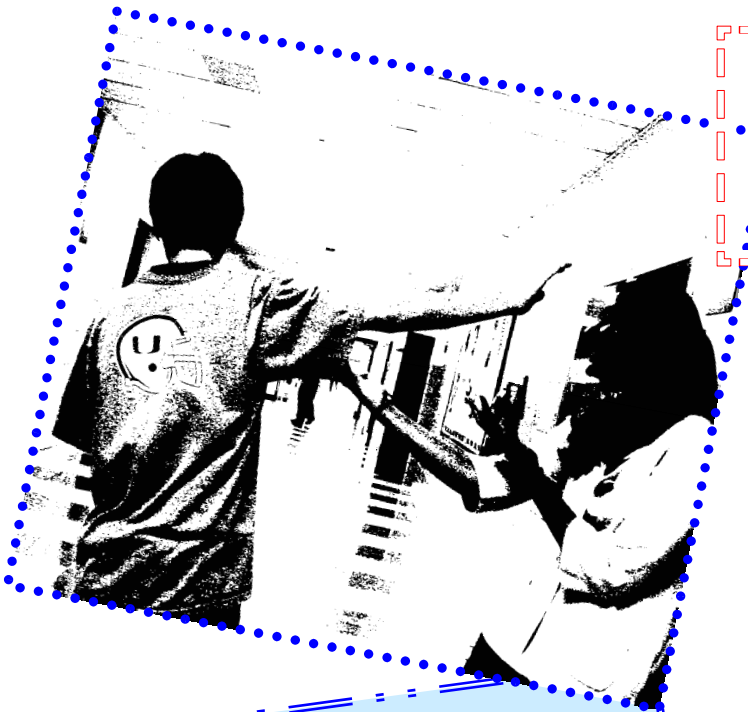

Jacob: "I have been dumped. I can't believe it.

There was a dramatic scene in the 400 hallways!

Jacob yelled, "This girl won't leave me alone! I'm sick of it."

Isabella sobbed, "Come on! I said I was sorry!"

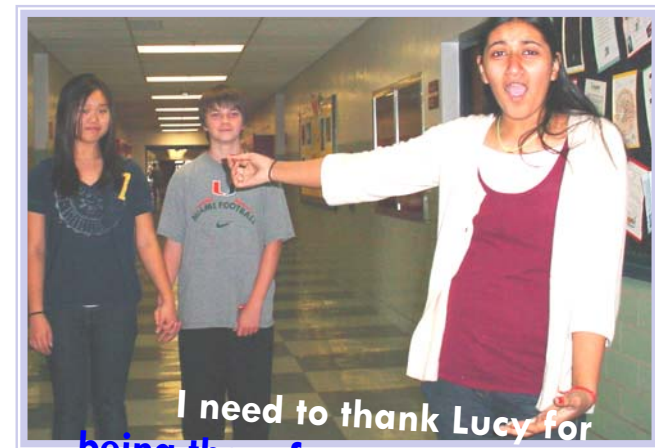

"No! I'M sorry, it's over...," Jacob exclaimed as he walked away.

Stifled sobs were heard echoing throughout the hall. And hushing sounds muffling them.

Lucy stated, "I'm sorry, Isabella can't talk right now. Did you hear what happened?"

Isabella cried, "I can't believe him! All I was doing was being a good girlfriend! I didn't do anything wrong, I don't deserve this!"

The girls continued to talk together quietly.

I need to thank Lucy for being there for me yesterday when I fell apart. Isabella took off to look for her best friend... when suddenly, she froze!

Isabella cried, "OH MY GOSH! What the..? How did this happen? My best friend is with the jerk who broke my heart???"

Lucy offered, " He asked me and, well...I couldn't refuse him, I mean, look at him!"

Jacob replied, " That's right! I love Lucy."

Isabella just stood there, dumbstruck and confused. This could not be happening.
