

Cece then talked to Trevor and Massie to set things straight.

“Two boys at recess were talking about it, I swear I didn’t make it up!”

Massie tried ignoring the situation because she didn’t tell Trevor the whole story.

But then she confessed,

“Cece I totally forgot to tell him that! I did not realize how much of a mess I started, I’m so sorry!”

Everyone was forgiven and things were back to normal!

Cece learned her lesson. She learned not to tell people things unless she has proof that what she says is true.

And Massie learned to be sure to tell the whole story, instead of part of the story.

Cece told Massie that she heard the boys talking about Trevor liking her.

Massie went to Trevor and told him that Cece said that he liked her.

“After recess Cece came to me and

said that you liked me!”

“During recess I was pretty much minding my own business, and I overheard two boys saying that Trevor liked you!”

Massie was excited because she had liked Trevor for the longest time!

Trevor went to Cece, asking her why she told Massie that he liked her because it wasn't true.

“Why did you tell Massie that I liked her? Don't go starting Rumors, Cece.

Cece then thought to herself,
oh no... I think Massie forgot to tell him that I overheard it at recess!
