

Bobo and her friends started leaving mean notes in Darla's locker.

They told more people about the joke, and soon the whole school started hating Darla.

"Darla is such a bad person, don't talk to her or hang out with her," Alfonso explained to her friend.

Darla tried to explain to Bobo it was just a joke, and she didn't mean it.

In the end, both friends worked it out. Now they talk, and laugh about the silly misunderstanding.

"Bobo, I'm so sorry, I didn't mean to hurt your feelings. Can we be friends again?" asked Darla.

She really was sorry, and Darla realized it.

Darla and Bobo were once the best of friends. Then one day, Darla made a joke that was offensive to Bobo.

“Haha! She looked ridiculous at the party!” laughed Darla.

“Oh my gosh! I can’t believe you just said that!”

Bobo was shocked at what Darla had said.

Bobo told all her friends that Darla was a horrible person.

“Darla is so mean!” exclaimed Bobo.

Bobo and her friends started talking about Darla and the joke. They got angrier, and angrier while they exaggerated the details of the joke. It got more and more fake everyday.

“And then Darla started talking trash about Lofanda!” shouted Bobo.
