

Anna confronted Natalie and asked her why she spread the rumor. Natalie told Anna that her teasing had gone too far.

“I’m sorry,” Natalie said. “I should have talked to you

instead of spreading that totally untrue rumor.”

“I’m sorry too. I didn’t realize that I was teasing you too much,” Anna said.

After Natalie and Anna understood each other, they became better friends. They realized that having respect for each other made them closer, stronger friends.

“I’m so glad we’re friends again!” Anna exclaimed.

“Me too,” Natalie agreed.

Anna and Natalie were really close friends for a long time. Anna teased Natalie, thinking it was all in good fun. Natalie, however, was hurt and thought that Anna's teasing was going too far.

One day, Natalie got fed up with the teasing. Natalie cried,

"I'm sick and tired of you teasing me! Leave me alone!"

Anna replied, "What? I don't know what you're talking about!"

Natalie decided to spread a juicy rumor that Anna had a crush on Eugene. She wanted to get revenge.

Natalie whispered, "Did you hear? Anna has a crush on Eugene!"

"Oh my gosh I can't believe it!" Caitlyn gasped.

"Somebody likes me...?" Eugene murmured to himself.

Eugene decided he would ask Anna out.

"Hey, Anna, do you want to go out with me?" Eugene asked smugly.

"EW! NO WAY!" ANNA SQUEALED.

When Anna found out that Natalie had started the rumor, she decided to confront her.
