Dear Erika,

*You are very inspiring to me. You meet all the M2P project and procedures expectations. You are extremely artistic and you always have creative ideas to share. You know how to do every job in the LJTV Studio, and you do them all professionally.*

*You are also very fun and exciting, but still hardworking and focused when you need to be. You have great project ideas and you try to include everyone in your plans. You make me a part of the class and I feel like I can do anything I set my mind to.*

*This is why I chose to write my letter of appreciation to you, Erika.*

*Sincerely, Inasse*
