Dear Presha,

*You are a very helpful, kind and insightful person. You contribute to our group in many ways, like with our "Shanaynay" video-project. Your ideas inspire me and your personality enables me to work and have a fun time at the same time. Because of you, the entire experience is more enjoyable.*

*When we start a new idea, you might be quiet, but then soon you add your great ideas, and these ideas really open up new possibilities. You also try to help in any way you can, and you strive for the best for everyone.*

*Knowing and working with you have really shown me how such a quiet person can open up and be an explosion of personality, love and intellect.*

*Your friend, Sarah*
