	http://www.awesomeclipartforeducators.com	<p>"These images are free for use on your web pages or printed documents."</p>	<p>may not be included in any collections</p>

Copyright-Friendly Websites

	http://karenswhimsy.com/public-domain-images/	<p>"On the following pages you will find hundreds of scans of beautiful images from my collection of old books, magazines, and postcards. They are all from material printed prior to 1923 and are in the public domain. You are free to use them in your artistic endeavors, either privately or commercially"</p>	<p>may not sell or give away the images themselves either individually or as a collection</p>
	http://en.wikipedia.org/wiki/Main_Page	<p>Text: "Wikipedia content can be copied, modified, and redistributed so long as the new version grants the same freedoms to others and acknowledges the authors of the Wikipedia article used" Images: Click on the image and read the permissions</p>	<p>None</p>
	http://freestockphotos.com/	<p>"FreeStockPhotos.com images may be used for both personal and commercial applications. Any publication or product they appear in may be sold or distributed in any way an unlimited number of times as long as the photographs alone are not offered as stock, art, or news photography."</p>	<p>Every photograph used must retain the domain name: FreeStockPhotos.com. This credit may be cropped out or digitally removed from the photograph if it is included in readable type near each photograph, in the text, or in the credits.</p>
	http://www.freefoto.com/index.jsp	<p>"Students may download and use our images in their own work. An individual teacher may make use of our images in the course of their own personal teaching work."</p>	<p>A credit to (c) Ian Britton - FreeFoto.com is required.</p>
	http://www.neferchichi.com/clipart.html	<p>"Our clip art and fonts are free for personal and/or school use only. You may NOT use any image that makes up the "look and feel" of neferchichi.com." You may only use the identified clip art images at the bottom of each clip art page.</p>	<p>may not be included in any collections</p>

Copyright-Friendly Websites

	http://www.wpclipart.com/	<p>"The images found here can be used for any purpose with only two conditions" "do not directly link images from my site to other web pages" "I do not expect anyone to copy my site or the image collection (in large part) to host or sell elsewhere online"</p>	<p>may not directly link images to other web pages and may not copy the collection to host or sell</p>
	http://www.hasslefreeclipart.com/page_clipart.html	<p>may "only use clip art for the sole purpose of enhancing your personal/ commercial projects" Personal use- as imagery for your web site, for desktop publishing projects, greeting cards, school projects, home, etc" "Commercial use- web sites you are building for clients, t shirt business, mugs, graphic design projects, etc."</p>	<p>"may not use site rippers, downloaders, and offline browsers to take clip art" - "may not save entire pages to download clip art" -- no distribution restrictions listed but may not copyright any images</p>
 <p>USAP - United States Antarctic Program</p>	http://photolibrary.usap.gov	<p>Antarctic Photo Library - "Usage: All photos are free to the public."</p>	<p>"Reproduction and distribution are encouraged, however, the photographer and the National Science Foundation must be credited."</p>
	http://www.enchantedlearning.com	<p>Text and Images: We give permission to print copies of our web pages, on paper, for classroom use and for non-commercial educational purposes, as long as the pages are unmodified and as long as our copyright notice appears clearly on each page distributed. We also give permission to use content from our web pages in PowerPoint (and similar) presentations made by you in person, if the content is not modified and if our copyright notice is included; the copyright notice must be included on each slide which has our content, in addition to any overall list of credits you may have.</p>	<p>Content may not be included on websites or distributed via the internet</p>

Copyright-Friendly Websites

<http://gimp-savvy.com/PHOTO-ARCHIVE/>

"The images and photos found in this archive come from three main sources: the National Aeronautics and Space Administration (NASA), the National Oceanic and Atmospheric Administration (NOAA), and the U.S. Fish and Wildlife Service (FWS). Each of these sites clearly state that their photos and images are in the public domain and give the conditions for their use. Please read their statements."

Note: Although most images on these sites are in the public domain, you will need to check each image before assuming it is in the public domain.

"NASA material is not protected by copyright unless noted. If not copyrighted, NASA material may be reproduced and distributed without further permission from NASA."
"Most NOAA photos and slides are in the public domain and CANNOT be copyrighted." "at present, no fee is charged for using the photos credit MUST be given to the National Oceanic and Atmospheric Administration/Department of Commerce unless otherwise instructed to give credit to the photographer or other source."

FWS - Most of the images on our Web pages are in the "public domain". "You may download and use those copyright-free images in your print and electronic publications." -- Some images/graphics are licensed for use under the copyright law, and the use of the Service logo is restricted to official publications
