## 3. What do we do?

- explore interests in the medical field
- assist in and organize events that provides information pertaining to the medical field
- promote the interest of individuals interested in pursuing a career in the medical field

We accomplish these goals through a variety of activities/events, including but not limited to:

- Partnership with the American Red Cross (incorporates the American Red Cross mission into the goals of MYS)
- Medical Care Items Drive
- Volunteering at CrossLink International (Helping third world countries reduce suffering amongst the world's most needy.)
- Participating in Relay for Life
- Daffodil Days (a symbol of hope that one day the world will be free of cancer)
- Participation in Science Olympiad (hands on experience with a real Doctor)
  - Participation in the Science Olympiad can replace a science fair project
- Various fundraisers to support MYS!
- And more!
