

Welcome to KEY CLUB

“KEY” stands for Kiwanis Educating Youth. You can also think about it as charity being the “KEY” to prosperity!

We are a community service organization affiliated with Kiwanis International, which is a service group that works with and helps kids.

www.kiwanis.org

Our service projects this year include:

- **Operation Dream Seed**- collecting school supplies (while they are on sale!!!!) for children in third world countries, specifically Afghanistan.
- **Operation Homefront**- supplying food, clothes, furniture, and other necessities to the Iraq War veterans and their families coming home and getting treatment at various veterans’ hospitals.
Learn more at: www.operationhomefront.net/dcmetro
- **The Ronald McDonald House**- collecting toys for the kids at the Gallows Road Ronald McDonald House. These are kids who are living with and courageously fighting cancer.

Keep an ear out for our first meeting, which will be the second or third week of school !!

If you don’t have time to join the club you can still help us in our mission by participating in our fun and easy fundraisers !!

By the way... a service club like Key club looks excellent on college applications
