

MHS Prep Summer Institute

Helping Rising Freshmen Transition to McLean High School

August 23-26, 2010 at McLean High School

The MHS Prep Summer Institute welcomes rising ninth-graders

Overview of the Summer Institute Program: McLean High School is pleased to present our Summer Institute for rising freshmen. McLean teachers will be working with students in August to jump-start the year with fun and engaging sessions designed to help rising ninth-graders at McLean succeed in high school. Students will become acclimated to a new level of learning through sessions on topics like note-taking and study skills, time management, organization and high school life. While the goal is to learn how to be successful at McLean High School, there will also be many ice-breaker activities to meet other students. All rising ninth-grade students are invited to register for this institute.

An exceptional value.

The registration fee for the four-day summer institute is \$50, payable to McLean High School. Financial assistance is available. If you are in need of financial assistance, please contact your child's current counselor.

Your \$50 registration fee will cover:

- Expert and engaging instruction from members of the McLean faculty
- Bus transportation each day if necessary
- All necessary supplies and materials
- Mid-Afternoon Snacks

An opportunity to learn.
