

Mount Eagle Elementary Home/ School Compact

School Compact:

We, the teachers, view our students as respectful and responsible individuals; therefore, we agree to provide a comprehensive and challenging program to meet the developmental needs of our students. We strive to empower our students to be independent lifelong learners, functioning well in a diverse global society. We will:

1. Prepare lessons that meet individual needs in all subject areas.
2. Maintain regular school-home communication.
3. Provide a safe, positive, and healthy learning environment for our students.
4. Set a structured, caring, and motivating learning environment in the classroom.
5. Honor individual differences and cultural diversity.
6. Support meaningful collaboration; effective teaching practices; and flexible shared leadership.

Family Compact:

We, the parents or guardians, view our children as respectful, caring, and responsible individuals; therefore, we emphasize the importance of education. We support Mount Eagle's mission to empower our children to become independent life-long learners, functioning well in a diverse global society. We will:

1. Monitor what our children read and their daily activities.
2. Maintain communication between home and school.
3. Emphasize good behavior and manners at all times.
4. Participate as a family in various events to increase a better understanding of cultural diversity.

Student Compact:

I, as a proud, respectful, caring, and self-confident Mount Eagle student, agree to take my education seriously and to prepare myself to become an independent life-long learner, functioning well in a diverse global society.

1. Strengthen my reading, writing, and math skills.
2. Be prepared to learn with a positive attitude and put forth my best effort.
3. Listen to and follow rules at school and at home.
4. Use time wisely and be organized.
5. Honor others' feelings, opinions, and cultural differences at all times.
