### Important Immunization Information for Rising Sixth Graders (SY 2009-2010)

Before starting Sixth Grade, all students must receive a booster dose of the Tdap vaccine if at least five years have passed since the last dose of tetanus-containing toxoid.

A medical exemption is also acceptable.

The Tdap booster is available from your physician, or from The Fairfax County Health Department which provides school immunizations at no cost.

Health Department Clinic Sites:

Mt Vernon 703-704-5203  
Springfield 703-569-1031

Students cannot attend school without required immunizations!
