It is that time of year....

SOL's are about to begin. Your children have worked really hard learning their grade level objectives. We want them to show what they have learned. Please make sure your children have a good nights rest, a healthy breakfast and come to school on time. It is important that they are prepared so they will do well on their SOL's. Please do not schedule any appointments during the morning hours of the testing window. Your help is greatly appreciated to ensure that all of our children succeed.

The following is the May 2009 SOL testing schedule for Mt Eagle
