Principals Message

Today was the last day of our SOL testing. We are so proud of all of our students. Each child worked so hard and tried their very best. We know that you played an important role by getting your child to school on time and prepared every day of testing. Thank you.

We are currently registering our students for summer school. We are also sending home a survey to see what our students are doing over the summer, whether they are attending summer school, going to camp, or on a vacation, we would like to know. If you would like ideas or help as to what there is to do with your child over the summer, please call Mrs. Land or Mrs. DelCampo.

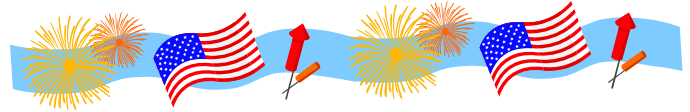

We will continue learning until Friday, June 15th, and then on Monday June, 18th, the last day of school, we will celebrate our successes with an awards assembly. We would love to see you there. Thank you for sharing your children with us! If you should have any questions, please feel free to call (703)721-2100.

Sincerely,

Brian Butler, Principal
Dawn Hendrick, Assistant Principal

If you haven't registered your child for ***Summer School***, please contact Mrs. DelCampo at 703-721-2117 and she will help you!

May is Pride in America Month! Many Mount Eagle ES students are learning patriotic songs in music class and will be performing them at our student recognition program on Friday, May 25. Mount Eagle third graders are also learning the preamble to the Constitution and will be performing that at the end of the year. Stay tuned for more details!! The windows in the lobby of the school were painted with patriotic symbols by Mrs. Stoffel and Mrs. Williams. We are lucky enough once again to have our annual field day at the Coast Guard Station Telegraph Road on Thursday, May 31. Semper Paratus! The USCG has been involved in a patriotic partnership with Mount Eagle ES for the past 20 years! Take pride in America and wear red, white, and blue throughout the month of May!!!!

School will be closed in observance of the **MEMORIAL DAY HOLIDAY**

Monday
May 28, 2007

FIELD DAY

Field Day is a school-wide physical education activities day. Students look forward to Field Day at the Coast Guard Station every year. Children will participate in a variety of individual and team activities, which may include some water games. These activities will be run by the staff of Mount Eagle and United States Coast Guard Volunteers. Please provide your children with bottled water, sunscreen and appropriate shoes/clothing to spend the day having fun in the sun. A school-boxed picnic lunch will be served on the grounds of the Coast Guard Station.

If you would like to attend Field Day with your child, you must drive your own vehicle due to overcrowding on the busses. Due to increased security on military bases, please be able to provide your identification to the gate guard. You must tell security that you are with Mount Eagle.

CLINIC

If your child has a **fever**, or **throws up during the night or in the morning**, please **DO NOT** send him/her to school. Children cannot function in the classroom when they are sick or have a fever.

Many children get minor scrapes, scratches and cuts at school. It's **very important** that the parent/guardian apply an antibiotic ointment to prevent infection.

Thank you,
Mary Montano
Clinic Room Aide

GOTR

The Girls on the Run Group at Mt. Eagle completed the Spring Daisy Dash 5K in Fair Lakes on Saturday, May 19, 2007. The girls worked extremely hard this season and they all completed this exciting 3.1 mile race! Go Girls!!! The next season of Girls on the Run will start in September. Be ready to run for fun!!!
