There is a box for collection in the main office.

Principals Message

Dear Families and Friends ,

Welcome to the 2008-2009 school year! We have had a wonderful start to a new and exciting school year. You will see construction work begin around our school in November and December, but please do not let that worry you, learning will continue as before. We have been in school for nearly 4 weeks and have been working hard to meet the learning needs of your child as well as teach the rich curriculum that Fairfax County Public Schools provides for us.

Although your child has one classroom teacher, there are many other teachers who work in a collaborative way to support all the needs of every student. Mount Eagle is a community and we, as a team, take

ownership for your child's education. We look forward to talking with you throughout the school year.

Our school telephone number is 703-721-2100. We can also be reached via email at Brian.Butler@fcps.edu and Dawn.Hendrick@fcps.edu.

Thank you for the sharing your children with us!

Sincerely,

Brian K. Butler
