

<u>Criterion 5</u> <u>Backboard &amp;</u> <u>Presentation</u>	<u>Aspect 1</u> <u>Concluding</u>	<u>Aspect 2</u> <u>Explanation</u>	<u>Aspect 3</u> <u>Weaknesses and Suggestions</u>
<b>Complete/2</b>	Sufficiently presents experiment's procedure and results. Photographs are present. Is able to thoroughly answer all questions.	Report is well displayed and easily read from a distance. Graphs and tables are well labeled and easily read.	Board is neat and contains all required sections. Shows time and effort.
<b>Partial/1</b>	Sufficiently presents the experiment's procedure and results, but cannot satisfactorily answer all questions. Photographs are not clear.	Report is not clearly displayed or organized. Graphs and tables are present, but with errors.	Board is complete, but is sloppy. Shows some time and effort.
<b>Not complete/0</b>	Does not sufficiently present the experiment. Takes a significant amount of coaxing and is unable to answer questions. Photographs are not taken by the student or not present.	Report is not clearly displayed. Tables and/or graphs are missing.	Board is incomplete and sloppy. Shows very little time and effort.
