### **Lighting the Torch ~ Reading 2010 Books**

The children and staff of Navy Elementary will participate in a Reading Olympics. Our goal is to read 2010 books from March 2nd through March 12<sup>th</sup>. The primary students will be given one credit for each book read and intermediate students and teachers will be given one credit for every hour read. Our progress will be charted on an Olympic torch which will be displayed at the entrance of the school and also graphed and reported on the morning news. Please support your child in reading every night so we can reach our goal. Just sign the enclosed certificate and return it to school as soon as your child has read 5 books or 5 hours.

We will end our Reading Olympics on March 12 by celebrating with Book Character Day. Students may dress as a character in a book. They need to carry the book with them and wear a sign/tag with the character's name.

Thank you for helping to make this a very special event at Navy!

---

**Please print and return to you child's teacher.**
