

## **CHADD** **Parent to Parent:**

### **Family Training on AD/HD**

**A Multi-Session Interactive and Educational Program for Adults and Parents of Children and Adolescents with AD/HD**

Parent to Parent: Family Training on AD/HD is an intensive, 7 week, 14 hour course. The curriculum was developed by parents who have lived the experience, but who also have had access to the best researchers and practitioners in the country. The course is well developed with over 350 overheads, extensive teacher notes, articles, reference materials, handouts and homework assignments. Each participant receives a 3 inch binder full of background information, articles, homework assignments and supplemental information. The course is based upon state of the art, evidence based information on the treatment and management of AD/HD.

This seven-session series will provide educational information and support for families who are dealing with AD/HD and learning to navigate the challenges of AD/HD across the lifespan.
