

Kindergarten Supply List for School Year 2009-2010

Please be advised that this is only a partial list of the supplies your child will need for Kindergarten. Your child's teacher may request additional supplies when school begins. It would be greatly appreciated if all supplies, except the backpack, were brought to school during Open House.

- 1 dozen regular Dixon Ticonderoga #2 pencils (**please take out of the package and sharpen**)
- 1 pair of Fiskar scissors
- 1 large box of tissues (not pocket size)
- 3 bottles (7.5 oz) liquid soap
- 1 container of baby wipes
- 1 container disinfecting wipes
- 12 glue sticks (Avery or Elmer's)
- 3 packets of stickers (i.e., animals, insects, motivational)
- 1 box large Ziploc bags (last name A-M)
- 1 box small Ziploc bags (last name N-Z)
- 1 bottle white school glue
- Old Adult oversized tee shirt for art class
 - Please check that shirt length is appropriate for a child to walk safely
 - Please label the shirt with your child's name
- **Backpack MUST be BIGGER than 12" x 15" and large enough to hold a large 12" x 15" library book. Please purchase ONE with an easy zipper that your child can open and close *without* assistance.** Buckles and snaps are complicated for 5 and 6 year olds and extremely time consuming for teachers. The simplest backpacks are the best! (**We also prefer a clear, see-through backpack**)
 - **NO Backpacks with wheels**

Notes: You will notice that we have requested some specific brand names. Over the years we have found these brands last longer and thus require replacements less frequently. Notices will be sent home throughout the year when new supplies are needed.

Please label backpacks, jackets, coats, etc., however, DO NOT label the class supplies as they will be combined and used by everyone.
