Kiss and Ride Application

2011-2012

Orange Hunt has established a Kiss & Ride area designated as a safe place for adults in private vehicles to load and unload students. The Kiss & Ride is separate from the school bus area, which helps schools avoid problems associated with cars passing busses, or cars parking in the bus-only lanes. It also establishes a pedestrian traffic pattern to keep students safe. Both Parent and Student Kiss & Ride Contracts (attached) must be signed and returned before application can be processed. Application must be updated whenever changes occur.

I have read and agree to follow the Kiss & Ride rules. I understand that failure to follow these rules is cause to revoke my Kiss and Ride privileges.

Remember to include the names of all drivers on your student Emergency Care Information sheet.
