For the timely creation of the Orange Hunt Directory, please complete and return this form to your classroom teacher in an envelope marked "Membership/Directory" by Monday, September 26th. The directory, prepared by the PTA, is for use in the school community only for school-related purposes. The Student Directory is a primary resource for communication at OHES. It is used to notify you about events in your child's classroom, and is a wonderful resource for school friends (and their parents) to contact each other at home. **This year the Directory will be compiled on an Opt-Out basis. All families will be included in the Directory unless this Directory Opt-Out form is returned.**

DIRECTORY INFORMATION / OPT-OUT -- Please check below:

- Make it simple!** Please use the School Data (I'll add my email address below).
- Please replace the school's data** with the information included below.
- Total Opt-Out.** Do not publish any data on student(s) or family members.
- Partial Opt-Out.** Student(s) name(s) will appear on class lists only.

*If you have more than one student at Orange Hunt, **complete and return one form only.***
