

Fall into a Bag Fundraiser:

I'm sure you've seen those striking bags that all the "fashionable" Poe parents are sporting around school. They're the same ones that you've seen for sale at most school functions. Well, the supply is dwindling (we're down to one big plastic tub right now) so if you were wishing you'd bought one, or two, or three to bring a check book or some cash to school events and we'll be there with the bags. One PTA member said "I've never organized in my life - I have my bag for Poe PTA, Annandale, and all I have to do is grab the right bag and run".

remember probably been so projects

This Fall in to a Bag fundraiser was just a tease for our big Spring Fundraiser with all new eco-friendly, sturdy

patterns, and the same good quality, bags that we've all come to love.

*If there is a particular REALLY need to have I am from the Fall catalogue on a limited basis. There will be a catalogue and a sign up Wish List on the big yellow PTA box in the main office. Email Peggy Morrison at rnpmorrison@verizon.net if you need more information. To visit their website go to <http://www.mixedbagdesigns.com> but please **DO NOT** order on-line as the school will receive no funding and you will have to pay individual shipping costs.*
