DRESS CODE GUIDELINES

All students are expected to dress appropriately. Any clothing that interferes with or disrupts the educational environment is unacceptable. Clothing with language that is vulgar, discriminatory or obscene, or that promotes or depicts weapons, drugs, alcohol, tobacco, drug paraphernalia, violence, or gang symbols is prohibited. Clothing should fit, be neat and clean, and conform to standards of safety, good taste, and decency. Clothing that exposes cleavage, private parts, the midriff, or undergarments, or that is otherwise sexually provocative, is prohibited. Examples of prohibited clothing include, but are not limited to: sagging or low-cut pants, low-cut necklines that show cleavage, tube tops, halter tops, backless blouses or blouses with only ties in the back, and clothing constructed of see-through materials. Students not complying with this code will be asked to cover the non-complying clothing, change clothes, or go home. Repeated infractions will result in disciplinary action.

WALKERS

Students are expected to cooperate fully with the crossing guard and safety patrols.

Students who walk to school are to observe the following safety rules:

1. Cross the street only where there is a traffic signal or someone to help – safety patrols or crossing guard.

4. Refrain from crossing private property.
5. Do nothing that will intimidate another student while that student is en route to or from school.

7. Go directly home after school unless prior permission has been granted by parents to go elsewhere.
8. Report any unusual or suspicious events while en route to or from school to parents and/or to the school principal.

GOING HOME WITH FRIENDS

Any student planning to visit a friend after school must have a note from his/her parent giving permission to visit the friend, and permission to ride a different bus or walk. This also includes students who are having a friend visit after school. You must have a note of permission from your parent allowing you to bring a friend home. These rules are for bus riders and walkers. Remember that it takes TWO notes to change your regular after school plans!

ELEMENTARY GUIDANCE AND COUNSELING PROGRAMS

- build positive feelings about themselves and others;
- develop positive feelings about work, family, and society;
- adjust to a new school and make new friends;
- develop skills in communicating with others;
- establish effective study skills;
- become more successful in school;
- cope with changes that occur in their lives;
- become more responsible for their own behavior;
- express their feelings in acceptable ways; and
- identify and accept their own strengths and weaknesses.

The counselors at Poplar Tree also work with parents, teachers, and other staff members to help students experience success and happiness during the elementary school years. Students can be referred to their school counselor by parents, teachers, or other staff members. Students can also refer themselves directly to their school counselor for assistance.

LIBRARY

Our library is open to all students during school hours. Teacher approval is needed by students to visit the library on an as needed basis. Special Ed., Kindergarten, and Grade 1 are scheduled to visit the library once each week for stories and checkout time. Grades 2 and 3 are scheduled every other week. Grades 4 – 6 use a flexible schedule arranged by the teacher and librarian.

It is recommended that kindergarten students check out one item at a time. Students in grades 1-6 may check out two items. If a student needs materials for research or a project, he/she may exceed the two-item limit. There are no overdue fines; however, students are billed for damaged or lost materials at replacement cost.

Available for checkout are a wide variety of fiction and nonfiction books, book and cassette tape sets, and magazines. During school hours, students have access to the reference section, audiovisual materials, computer software, and CD-ROM programs in the library and in the classroom.

Students can access our collection using the on-line catalog terminals. Using the INLEX software, students can search by author, title, or subject to locate materials. Our library is networked with all Fairfax County Public Schools through the INLEX system, which allows us to honor interlibrary loans between schools. We also have the capability to access the Fairfax County Public Library System for students and teachers. At this time, we are not able to reserve books using INLEX with the public library system.

The Internet is available for student research using our on-line computers. Children in grades 4 – 6 are asked to abide by Poplar Tree School's Acceptable Use Policy when using the Internet.

Students in grades 4 – 6 are invited to apply to be a library helper. Library helpers work one morning each week from 9:00 – 9:30 a.m. shelving books. All students are encouraged to visit our library often to enjoy our wonderful collection of materials.

SAFETY PATROLS

Students in the fifth and sixth grades are eligible, with the written permission of a parent or guardian, to be a Safety Patrol. There are building and bus patrols, as well as patrols stationed at certain locations for walkers.

LOST AND FOUND

Students are encouraged to keep track of their personal items (clothing, lunch boxes, etc.)

Lost items should be turned in to the office. Students who have lost items are to check the Lost and Found.

RADIOS, IPODS, AND ELECTRONIC GAMES

Radios, tape recorders, walkmans, toys, and electronic games are not allowed in school unless they are part of an instructional project and are authorized by a teacher. Do not bring any item to school that you would not be able to replace if it were lost.

HHEELYS

Students are prohibited from the wearing of shoes that contain wheels in the heel, better known as Heeleys. These shoes when use in school buildings can cause injury to self, other students and staff when the wearer looses control and slides into other individuals. These shoes were designed to be used outside in an area where children have lots of room to skate and with a helmet.

ACTIVITIES FOR STUDENTS

Students are encouraged to become involved in all curriculum areas, including Science and Social Studies.

- Grade level celebrations throughout the school year allow students to participate in a variety of learning experiences. Some of these celebrations include Medieval Day, Colonial Day, Fairy Tale Dress-Up Day, and Hundred's Day.
- Show What You Know is an evening for students to demonstrate their knowledge. Science experiments and other displays are featured.
- Heritage Night is an opportunity for students to share their heritage and culture with the Poplar Tree community. It is an evening celebration featuring foods, exhibits, games, and dance of countries worldwide.
- Winter music performance by 5th grade choral students.
- Spring music performance by 6th grade choral students.

SAFETY AND SECURITY PLAN

We have a welcoming atmosphere at Poplar Tree, and parents are invited to participate in their children's learning. Volunteers are welcome and encouraged. It is imperative, however, that all adults when coming into the office, sign in and get a badge. Please read the general security measures below.

The following safeguards and security measures are in use at Poplar Tree School:

1. Building entry is limited to the main door entrance. All other exit doors are locked or closely monitored during recess.
2. A sign at the main door reads:

**Welcome to our school.
All visitors must report to the
main office.**

A sign at the other school entrances reads:

In order to ensure the safety of all our students, this door will remain locked. All visitors are asked to enter the building through the front doors and to report to the office.

3. Visitors' badges are issued from the office. Visitors, parents, volunteers, school personnel, and others are required to report to the office, and to sign the register and receive a visitor's badge. Visitors must sign out and return badges to the office.

WELCOME!

Dear Students, Parents/Guardians:

Welcome to the 2008-2009 school year at Poplar Tree Elementary School. This handbook is provided to you to assist us in making our school operations run smoothly.

Poplar Tree dedicates itself to the belief that all children can and will learn. Our mission is to meet the needs of all students by creating an environment that fosters student achievement and literacy, builds character, and honors diversity.

With a strong home-school connection, together we can build character in the children. Help us by using the words at home that our mascot, R2ICH the panther, uses here at school:
