High School Mission Statement

The mission of the J.W.R. Robinson High School counseling program is to support the academic, post-secondary, and personal/social development of all students and to prepare them to be life-long learners and responsible citizens. School counselors, in partnership with others in Robinson community, advocate equity, access, and success for all students. The counseling program fosters an environment where students value learning, achieve to their potential, respect diversity, and practice responsible citizenship.
