PHOTO SUPPLIES

Photography students will be required to purchase their own photo paper, film, and other photo supplies. Estimated annual cost for photo supplies is \$200.00. Students should not purchase supplies before the teacher has had the opportunity to review them with the class.

A \$45 Lab Fee is required for all Fairfax County Public School art classes. The fee goes toward paying for consumable materials such as photo chemistry.

Students will be required to have access to a 35mm film camera as well a digital camera.
