

GOOD MORNING ROBINSON
TODAY is Monday the 6th of February

General

Have you thanked your counselor today? The week of Feb 6th is national school counselor week. Your counselors are here for you to: Mediate, Encourage, Advise, Teach, Advocate, Listen, and Help. When you see your counselor this week, be sure to say thanks for all they do.

Agenda books are still available in all sub schools and the main office and they are now half price (\$3.00 each)!!!

Students taking the AMC math exam on February 7th should report to the Blue Cafeteria instead of their 2nd period class; students who arrive before the exam begins will not be marked tardy or absent. Students will receive a souvenir #2 pencil but should bring one of their own as well. Students cannot use calculators for the exam so they should not bring one. Juice and cookies will be served prior to the beginning of the exam on a first come-first served basis.

The fourth Fairfax County Math League (Varsity Math League) will be held in the following rooms on Wednesday, Feb. 8th from 2:20 pm to 3:00pm: B213 (Mrs. Bowersox), B214 (Mrs. Boulanger), B219 (Mr. Collidge), and B221 (Mr. Evans). Calculators are allowed for this competition.

Please note that the library will be closed Feb. 15th and 16th for WIDA testing. All librarians will be instructing ESOL classes working on a research project, while the ESOL teachers administer the test.

We will be open before and after school those days. Please plan accordingly, especially for videos, equipment, keys to Davala, Recital Hall, etc.

Calling all Black History buffs: The Minority Students of Robinson club is sponsoring a Black History Knowledge Bowl on Friday Feb 17th at 7pm in Davala Hall. Do you know the answer to: What artist is featured on 2008's "Tha Carter III" album? See Mrs. Hicks in Room C107 if you know!

Do you volunteer? Robinson recognizes students for service to the community. Students may wear a Service Learning Cord at graduation as a symbol of their dedication to making a difference in the community. Hours may be earned on one activity or over multiple activities and your service hour record is cumulative over your high school career. For more information, check out your class Blackboard site on 24/7, talk to your guidance counselor, or see Mrs. Caley in B104.
