

THE GOOD NEWS IS . . .

- We're readying for the end of the year. Are you ready for your finals/culminating activities?
- 8th graders celebrated their end of MS with the famous 8th grade day. Thank you to SGA, students, teachers and parent volunteers for a wonderful day full of chance, laughs, karaoke, relay competitions and a classy evening dance. Good memories for the end of those middle grade years!

RAM TRIVIA

QUESTION

How many days have we been in school?

ANSWER

A school year consists of 183 student school days!

HELPFUL HINTS :

Take some time to reflect on the school year. Review interim and quarter report card grades AND comments. Begin to look at setting goals for the next school year by celebrating this year's successes and looking at remedies for this years challenges!

Helpful hints to keep away the summer brain rust:

- ~~Read MORE than the one required book over the summer. Find a partner or two and read the same book and TALK about likes/ dislikes. Spend time at your local library or book store and see what you have in common with regards to reading with your friends, siblings or parents!~~
- Write a REAL, honest to goodness, LETTER (with NO text abbreviations). Start a letter writing friendship with someone to help keep those writing skills in tact.
- Keep a summer journal.....
